The information provided on this website is for educational and informational purposes only. It is not intended to diagnose, treat, cure, or prevent any disease, nor is it meant to replace the advice of your physician or healthcare provider. Dona Winger does not practice medicine or provide medical advice, diagnosis, treatment, or care. Always consult your physician regarding any health or medical concerns.

The content, services, products, claims, and materials on this website have not been evaluated by the Food and Drug Administration (FDA) and are not intended to diagnose, treat, cure, or prevent any disease or medical condition. The information is provided for informational and educational purposes only and is not meant to substitute for the advice provided by your own physician or other medical professionals.

You must not rely on any information provided on this website to replace consultations with qualified health professionals who are familiar with your individual medical conditions and needs. We encourage you to always seek the advice of your physician or other qualified healthcare provider regarding any questions or concerns you have about your specific health. Dona Winger assumes no liability or responsibility for any errors or omissions in the content on the website. We do not independently verify, validate, or guarantee the accuracy of any claims made on this website. Reliance on any information provided by us is solely at your own risk.

Your health and treatment choices should be made solely by you and in partnership with your healthcare providers. Dona Winger shall not be liable for any direct, indirect, consequential, special, exemplary, or any other damages arising from the use or misuse of any products or information provided.

The content shared on this blog are Dona Winger's opinions, observations, and insights. By no means should you mistake the information provided here as qualified professional advice. This blog's intent is to offer information, perspective, and thought provoking content that you can take to your physician or other qualified healthcare provider to start a discussion about your health.

This blog's intent is to remind you that there is more to be learned. The content is designed to spark interest in your own health and realize that you have the power to take your health into your own hands. Before you start a new diet, a new exercise routine, or make dramatic changes to your lifestyle, please consult a proper qualified professional whom you trust and discuss your plans. Ask questions and question answers. Always seek a second opinion if you do not feel comfortable with a diagnosis or treatment.

By using this website, you agree to follow these terms of use and agree to hold Dona Winger harmless from any claims or liability arising from your use of the website.
